3. In line 6 of claim 60, "until" has been changed to --so that--.

In Nakamura's method, the tray retaining device KAS is rested on the receiving station 11, as described in column 13, lines 57-58 of Nakamura, rather than releasably attached to the receiving station, as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
